

# Falls Church Community Center SUMMER Preschool Programs

## Preschool Program

### 3-5 years

Our preschool program focuses on fun and positive learning experiences for 3-5 year olds that will prepare students for future elementary school study. Students develop social, physical, and cognitive skills through interactive, hands-on experiences. Early Childhood teaching is often theme-based and always age-appropriate. Students participate in several activities daily that will promote the development of fine and gross motor skills, mathematical thinking, and literacy skills. Our qualified staff and small class ratio makes a safe program for everyone. Our program is licensed by the State of Virginia Department of Social Services. Children must be potty-trained by the first day of the session. In order to register for the preschool program, children must be born within the birth dates listed. Proof of age via birth certificate and physical immunization report is required on the first day of the program.
